FERPA Restrictions

FERPA, Family Educational Rights and Privacy Act, allows you to restrict the release of certain personal information. Restricted information is available for use by campus offices as needed, but cannot be listed in campus directories or shared with other parties. You have chosen to restrict the following information from release.

To change your restrictions, click Edit FERPA/Directory Restrictions at the bottom of the page.

For more information about FERPA as well as the campus policy and procedures to comply, please see the Enrollment Services web site.

No current FERPA restriction information found.
